

# BART Warm Springs Extension

## Construction Notification #38 Intermittent Closures of Pedestrian Pathway to Restore Lake Area

### Construction Details

Removal of sheet piles at Lake Elizabeth

### Summary of Activity

Intermittent closure of pathway surrounding the eastern lobe of Lake Elizabeth

### Estimated Start Date

- March 19 - April 9 Intermittent Closures
- March 20- Day-Long Closure
- April 9- Day-Long Closure

### Estimated Duration

Up to 3 weeks

### Impacts

Closure of existing pedestrian path is expected to cause minimal disruption. Pedestrians will be turned back to complete lake walk.

### General Work Hours

7 am to 7 pm  
Monday through Friday,  
Saturday work as necessary

### Lake Elizabeth Work Hours

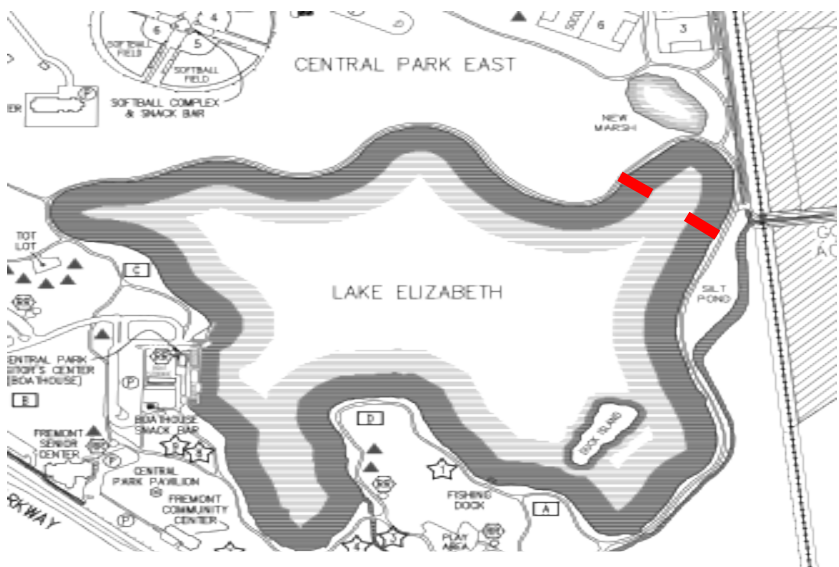

7 am to 10 pm  
Monday through Friday  
8 am to 6 pm – Saturday

March 15, 2012

BART continues work on the subway portion of the Warm Springs Extension project through Central Park. BART is working to restore the lake area to its pre-construction condition. Crews will remove the sheet piles that were previously placed across the lake. To do this work, the pedestrian sidewalk will need to be closed for brief periods on several days and for a full day on March 20th and on April 9th. The schedule may vary depending on circumstances. Changes to trail closure dates will be posted on the trails and at the park information center.

Flaggers will be on hand to turn back walkers upon reaching the closed section and signage will be placed along the pedestrian pathway.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail [bartwarmsspringsextension@bart.gov](mailto:bartwarmsspringsextension@bart.gov). You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.

Red lines represent the work area where pedestrians will be turned back.
