

Bay Area Rapid Transit (BART) Voter Data for Proposed Board of Director Districts

Voter Registration and Turnout Data by District (Plan A, Plan B, Plan C)

The following report contains a registered voter comparison between proposed BART Board of Director districts for Plan A, B, and C. Shifts in registered voters varies between proposed districts depending on various factors, including adjustments for population balance and different rates of voter registration within a geographic area.

Notes and Data Sources

1. Registered Voter data sourced from the [California Statewide Database](#).
2. Registered Voter data for Asian and Latino populations included to maintain consistency with data presented at the BART Public Redistricting Meeting #4 held on January 15, 2022.

This report was created by GEOinovo Solutions for the BART public redistricting meeting scheduled for January 22, 2022.
