## TEMPORARY BUS STOP RELOCATION AT DALY CITY STATION WEEKENDS IN MAY 2014

Dear Customers:

To accommodate a construction project, we will temporarily relocate bus stops at Daly City Station on the following weekends during May:

- 4am Saturday, May 3 until 4am Monday, May 5; and
- 4am Saturday, May 10 until 4am Monday, May 12.

The ADA, passenger, and paratransit drop off areas will not be affected by the work.

Work crews will place a protective pavement coating along the Eastern Station Road and add new pavement markings.

Vehicles entering the station should watch for signs redirecting traffic during the work.

The relocations will be minor and will be accessible from the station exit. Temporary bus and shuttle stops will be as follows:

**During work along the Eastern (Island) bus loading area:**

- Samtrans 110/130/ECR: from the bus island to the curb east of the station.

**During work along the Western (Station) bus loading area:**

- Samtrans 120/121/ECR and MUNI 28: from the curb east of the station to the bus island.

Please see the map on the reverse of this bulletin for the temporary bus and shuttle stop locations.

If there are delays in the construction work, the relocations may extend into Monday. In this case, Muni's 14L and 28L will also be rerouted to the open loading area.

We apologize for any inconvenience this may cause you and appreciate your patience.
