UNION CITY STATION INTERMODAL AREA FULLY OPEN

Dear Customer:

Beginning **Monday March 12th**, the station side of the intermodal area will be opened and the Central Accessway will be open to bus and passenger vehicle traffic. The new passenger drop-off and taxi stand on the North Busway will be open for use. Only the northbound lane and drop-off area of the North Busway will be open to passenger vehicles, please observe signage for “buses only” areas of the intermodal area. Please refer to the map on the back of this bulletin for details. This project is part of the City of Union City’s transit village that’s under construction east of the station.

Bus Stop Relocation

The bus stops in the intermodal area will remain unchanged until the end of March. At the end of March during AC Transit’s regularly scheduled bus driver change, another bulletin will be issued showing the new location of bus stops within the intermodal.

We apologize for the extra time it took to complete the new transit canopies and thank you for your patience during the Union City Intermodal Phase I construction during the last several years.
